

Scoring chart for the first Wiki project.

Student: _____ No: _____

Assessed by: _____

	Excellent	Good	Developing
Content (Ideas, research, planning) 8	<p>Creative and fresh ideas.</p> <p>The project was well researched.</p> <p>Presentation and organisation was excellent.</p>	<p>Ideas are good, but need more thought.</p> <p>Research was good, however, do a little more research to get a higher grade.</p> <p>Good organisation. Just plan a little more next time.</p>	<p>Think a little more about your ideas (Brainstorm?)</p> <p>Try and do a little more research next time.</p> <p>Check your paragraphs and how you present your ideas.</p>
Contribution (Team work) 5	<p>Excellent communication skills. You talked with ALL members.</p> <p>You helped ALL the team members.</p> <p>You also did your work and helped other with theirs.</p>	<p>You communicated well, but did you talk to all members?</p> <p>Your work is important, but so is your teammate's. Help them a little more next time.</p>	<p>Try to help your team members more. Tell them your ideas.</p> <p>If someone has a problem, help them out.</p> <p>Use your strengths to help your team.</p>
Language (Sentences, spelling, vocab choice, punctuation) 7	<p>Your sentence structure was excellent.</p> <p>You made very few spelling and punctuation mistakes.</p> <p>You used interesting words.</p>	<p>Good sentence structure.</p> <p>You made some simple spelling and punctuation mistakes. (Don't forget to edit)</p> <p>Vocab choice was good. You only used the same words a few times.</p>	<p>Words and sentences are not very clear.</p> <p>You need to check your spelling and punctuation.</p> <p>You used the same words lots.</p>
